Good Morning

After reviewing the application, it does not indicate whether food preparation or service will be offered at the establishment. For the purpose of completing the health department review, we kindly request confirmation of these details. Clarifying whether food will be prepared or served will ensure that all necessary health and safety guidelines are properly addressed. Please provide this information at your earliest convenience

Good Morning Sagar,

Their application does not state whether they will or will not have food. Being that it's a question you're having, if you put that question in your review it will be brought up and asked.

Best Regards,

Caitlin

Good Morning

Will there be any food service or preparation in this facility?
