Courtney Rombough – Architect – Sworn in by Board Attorney Mascera

- Proposing a two-story rear addition and deck with addition meeting zoning requirement
- Seeking variances for:
 - Rear yard setback: required 30 feet whereas 29 feet is proposed;
 - Maximum impervious coverage: current 38.8%, proposed 43.5% where maximum allowed is 40%;
 - Maximum coverage for accessory structures: required 15%, currently 10%, 16.4% is proposed
- Property is a smaller lot which creates a hardship;
- Chair McGinley states this is a smaller lot than many in Verona;
- Ms. Rombough explains if this was a bigger lot they would not need a variance;
- Minimum required lot size is 7,200 square feet, current size lot of this property is 6,721 square feet;
- Proposed deck size is to accommodate family gathers, ascetically pleasing and easier to build without angling along property line or setback line;
- Applicant agrees to review recommendations and ensure compliance of Boswell Engineers report;
- Mr. Ryan asks if Stormwater Management is impacted;
- Mr. Caggiano explains it would be a condition should the application be approved;
- Board Attorney Mascera states “Engineer report supersedes Verona Environmental Commission report”;

Chair McGinley asks if there are any additional Board Questions - seeing none.

Chair McGinley opens it up to Public Questions, seeing none – public portion closed.

Chair McGinley asks if there are any additional Board Comments - seeing none.

Chair McGinley opens it up to Public Comment:

Public Statements:

Paul Petrangeli – states he has an angled deck which was made for the setback. He is redoing his deck and this proposed deck will work much better for the homeowner and builder.

Chair McGinley asks if there are any addition Public Comments, seeing none – public portion closed.

Board Deliberation:

- Vice-Chair Weston has no issues with application – being at 16.5% isn't a lot.
- Dr. Reis states there is a hardship due to the size of the lot, Mr. Ryan agree;

Conditions:

- The Applicant will complete Stormwater Management and all Engineering requirements;

Chair McGinley – Motion to approve Application 2024-23
