

Senior Exercise with Paul **Spring - 2025**

Come join us for a specially designed senior citizen exercise program with a certified trainer. This class is designed to help you stay active, strong and healthy. We will use resistance bands, light weights, balls and music to help during workouts. Exercise at your own pace using a chair. Each session will include a warm-up, leg exercises with resistance bands and an upper body workout for strength and core stability.
Class size is limited.
